Replying to @v1rtu4lm3me5 and @LauraLoomer

Of course it was planned. Our government knew in 2021 that the Biden crime family was negotiating deals with Iran.

@RepJamesComer did you find an iranian transfer yet?

Patrick, you are claiming that 18 months ago, the Biden Family was seeking a bribe from Iran to release funds frozen in South Korea, and to go easy in nuclear talks, and that the United States Government has been aware of this since December, 2021?

So in November 2021, I went back to the Middle East. I met with a group including a special Iranian figure, an old friend who let me know a World War was coming, and had a proposal to avert it. I told them I would relay the proposal but I did not think it would fly.

In the course of being there, and through a mechanism I am not going to explain here, I became aware of an additional situation. Hunter Biden was reaching out to the Iranian government in the fall of 2021 with the following offer: *You Iranians have \$8 billion frozen in a bank account in South Korea. My father will unfreeze it in return for \$800 million being funneled into a numbered account for us. And if you do this deal with us, it will lubricate other negotiations which have recently started between us.* By that, the Iranians believed that Hunter meant the JCPOA talks, which had restarted in Geneva a month or two previously. In other words, something along the lines of, "Pay us \$100 million and we let you keep 10 nukes, \$200 million for 20 nukes," etc. But I am making up the pricing.
